S. Comments:After taking a trailing position behind TRUE PASSION, was then taken back through the field after passing the 800m when that runner commenced to lose ground, and then had to check away from that runner passing the 700m and shifted wider. Shifted out to improve near the 200m and made contact with another runner and was then held up approaching the 100m and did not obtain clear running over the concluding stages.

S. Comments:When questioned regarding apprentice R. Rides tactics, trainer R. Coveney stated that the mare had been ridden forward at Gatton when it won in June and his instructions to all riders since then have been to ride the mare forward, however at its three previous starts the mare was unable to be ridden in that manner.

He stated that, having its first for the stable, he had been instructed to ride the gelding quietly from its wide barrier and settled at the rear of the field, however he was disappointed with the way the gelding finished the race off, adding that it was inclined to lay in under pressure. Trainer T. Edmonds confirmed the instructions to ride the gelding quietly. Mr Edmonds was advised that should these instructions change, he would be expected to notify the stewards of a change of tactics.

explained mount travelling well upon straightening and was held up for clear running until passing the 200m. Added considered improving into a run between

STEEL ZIP and LORDAG however, when she angled to take advantage of run STEEL ZIP shifted out slightly and was concerned there was insufficient room to

improve and for this reason shifted to outside heels of LORDAG to improved. Explanation noted.

He added that passing the 200m, as he did not believe there was sufficient room to improve between PUNTA NORTE and SHEISWHATSHEIS, he elected to come to the outside of the heels of PUNTA NORTE, however the mare was reluctant to shift out and as a result he attempted to improve back to the inside of PUNTA NORTE, but OUTRAGED had improved quickly to his inside and taken that run.

He then indicated he was able to improve into the race after passing the 600m and was very satisfied with the horse's finishing effort. Jockey Fradd explained that LASCAR is one-paced and he was instructed to ride the horse in a handy position and for this reason he thought it would be detrimental to the horses chances to settle at the rear of the field. He added that he attempted to increase the pace in the back straight with a view to racing outside the leader, GOULDIAN, however LASCAR did not quicken and, in his view, was most disappointing today. Rider questioned re performance - stated her intention was to settle further forward in the field however, rather than being caught extremely wide she elected to take hold and settle in a midfield position. Further added she was forced wider on the home turn and in her view the gelding finished the race off well.

Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly.
