Browne indicated that after suffering minor interference in the early stages the horse refused to settle and fought against him for most of the event and this had a detrimental effect on the horse's finishing effort. Trainer S. O'Dea reported that the gelding had returned to the stables with no issues and he agreed with the comments of jockey Browne.

S. Comments: Jockey J. Lloyd reported that he intended to be in a midfield position, however after being slightly slow to begin and then placed in restricted room shortly after the start he was obliged to settle further back than anticipated. He added that he was reluctant to place undue pressure on the horse from a wide barrier to obtain a midfield position, so he was content to restrain to a one-off position towards the tail of the field.

Plumb stated he was advised by the trainer that the horse had a history of being fractious in the gates and his instructions were to position the horse where it felt comfortable in the early stages. He added that after being crossed shortly after the start the filly raced a little greenly back in the field however finished the race off reasonably well and, in his opinion, would benefit from today's experience and may be better suited over longer distances than that of today's event.
