In middle stages gelding dropped the bit and in his opinion was not handling soft track conditions. S. Comments:Slow to begin and then hampered by another runner. Had to be restrained from heels when the pace slackened approaching the 800m and lost ground, and as a result of this incident the horse was galloped on from behind. Placed in restricted room and became unbalanced after passing the 100m. A post race veterinary examination revealed the horse to have suffered a laceration above the hock on the near hind leg consistent with having been galloped on.

S. Comments:Lunged forward prior to the start being effected, making contact with the front gate, was examined by the veterinary surgeon and passed fit to start. S. Baster reported following the event that his mount, whilst forced to race wide without cover, never travelled well throughout and eased over the concluding stages. A post-race veterinary examination revealed no significant findings. Co-trainer Mr A. Bott advised that after the gelding's disappointing effort today, it may be spelled.

Fradd stated that he had been instructed to settle the horse behind the leaders but was prevented from taking up this position when MAGNUS COR maintained a position one off the rail. He added that he did not wish to restrain his mount behind MAGNUS COR near the 800m as he was mindful that when OF THE DAY beat FINAL ZERO at Doomben on 12 August, it took almost the entire straight to run that mare down, and with FINAL ZEROS light weight today, he was of the belief that he would be giving that mare too much start.
