S. Comments:Trainer C. Waller advised that it is the intention for the gelding to be ridden further forward today if circumstances permit. When questioned by Stewards regarding the gelding's performance, jockey M. Cahill advised that after being slow to begin the gelding failed to muster early speed, and due to the fast early tempo was hard ridden at the tail of the field for the majority of the race to hold its position. He added that in the home straight the gelding ran on fairly, and he believes that the horse may be better suited over further distances. A post-race vet exam revealed no abnormalities. 2-10 SCST 2200 Soft 14/04/2018 BM80 (Race 1)

He indicated that from the wide alley he had been instructed to settle the horse at the tail of the field and did so, adding that the pace of the race caused his mount to be off the bit for the entire race. He was obliged to niggle the horse throughout, and he was able to save ground when rounding the home turn by improving to the inside. S. Comments:Rider questioned re tactics adopted - stated filly began well and elected to steady as he did not wish to be placed in a speed battle with other runners. However, when UMBERTO crossed him at 1100m he had intended to sit outside that gelding but was prevented from doing so and was forced to race behind the leaders until the entrance to the straight. Added in his opinion filly is looking for a further distance than today's 1350m and did not quicken as he had expected. Vetted - no abnormalities.

S. Comments: Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.

She stated that she had been instructed to ride forward, however when caught wide she elected to steady and attempt to find cover, but the gelding commenced to hang out and in her opinion may be sore. A post-race veterinary examination revealed no significant findings. Trainer D. Hansen advised that the gelding would now be spelled.
