S. Comments:Raced keenly for a short distance near 1100m. Laid inwards over final 100m. Rider questioned re racing in a rearward position - stated originally

his intention to race forward however, after jumping only fairly found himself racing three wide to the outside of FRESpanol. As such rather than be caught

wide he obtained cover following FRESpanol, expecting that horse to maintain a forward position. Soon afterwards runners to the outside crossed

FRESpanol which resulted in his mount racing further back than he would have liked.

He said he had expected a forward showing in today's event as he had anticipated the track having more give than at its two most recent starts. He added that the horse has performed well previously racing on similar surfaces. He further added that the gelding was able to obtain the lead without being challenged today and he believed this was also beneficial to the horse's chances. He said he had supported the horse as he believed that having a 3kg claiming apprentice was also a significant factor.

S. Comments:When questioned regarding his riding of the gelding approaching and rounding the home turn, whereby the horse shifted out and allowed a stablemate, BRIGADOON RIDE, to gain a run to his inside, J. Lloyd advised that his mount never travelled in the early stages and had to work hard to reach a position outside the leader at the 800m. He said the horse was under pressure passing the 600m and soon after, on straightening, shifted out when weakening. The explanation was noted. A post-race veterinary examination revealed abrasions to the offside stifle. A swab sample was taken.
