When asked to explain the performance of the filly, jockey R. Fradd stated that after being awkwardly away and settling in a rearward position the filly failed, despite his urgings, to tack on to the back of the field in the early and middle stages, however, upon straightening commenced to make ground and when shifted wider in the home straight finished the race off quite well and in his opinion would be better suited to races further than that of | | | |

S. Comments:When questioned regarding the improved performance, stable representative Mr M. He added that the distance of 1400m first up today allowed the gelding to be ridden aggressively and obtain a forward position.

S. Comments:Raced wide. Stewards questioned trainer J. Aitkenhead regarding the improved performance. She indicated that prior to last start the horse had been racing well, however at its most recent start the mare settled in a more forward position and overraced badly in the early and middle stages and had to be steadied from heels, as documented in the Stewards Report. She added that, in her opinion, the horse did not handle the tight turning Gattton track last start, and she had expected a forward showing in today's event.

Cahill stated that the gelding overraced more than he would have liked throughout the event and being first up today may have had some bearing on it's finishing effort and that the gelding would improve with the run.
