After having difficulty obtaining clear running after passing the 300m, shifted out approaching the 200m to secure clear running and made contact with another runner. A post race veterinary examination revealed a minor laceration to the near hind leg.

S. Comments:When asked to comment on the performance, Jockey R. Plumb stated that after settling in a trailing position towards the rear, the gelding raced a little keenly in the early stages and then when shifted 3 wide with cover to improve passing the 600m, was afforded every opportunity to finish the race off. He further added that once in the home straight, when placed under pressure, the gelding proved a little disappointing and in his opinion may improve with the run. A post-race veterinary examination failed to reveal any abnormalities.
