Rider comment re performance - instructed push forward out of barriers in order to obtain a forward position with cover but after being moderately away and pressured early unable to obtain a forward position with cover and was caught three wide. Questioned whether an opportunity to restrain to obtain a position one wide at rear with cover behind SHEZABEANS - advised at that point speed slackened and felt unable to restrain to obtain that position and with moderate tempo allowed filly to stride forward. He further stated that despite the slow tempo the gelding failed to run on when placed under pressure and disappointed. A post race veterinary examination revealed cardiac arrhythmia. Connections were advised that the gelding would be required to undergo an ECG, with results reported to stewards, as well as trialling satisfactorily and a veterinary clearance to be supplied. S. Comments:Raced keenly in the early stages and shortly after passing the winning post the first time eased when racing tight to the inside of CALIBRATION, which was carried inwards slightly by GRAND SHANGHAI. As a result of this POPULIST got its head up and proved difficult to settle, shifting outwards across the heels of CALIBRATION, and then continued to prove very difficult to settle until near the 1400m. Laid inwards under pressure over the final 200m.

S. Comments:A post race veterinary examination of the horse, which raced keenly in the early stages and hung out from the 900m finishing last, revealed no abnormalities. Trainer D. Forster indicated on return to scale the horse had its tongue over the bit, and added that in light of today's performance she would remove the blinkers from the horse's gear and experiment with the addition of a tongue-tie.
