Ljung reported that her mount travelled comfortably in a forward position throughout, however when placed under pressure from the 500m it failed to quicken as she had expected and, in her opinion, proved disappointing in the home straight. Trainer M. Currie also expressed disappointment in the performance, for which he could offer no tangible explanation. A post-race veterinary examination revealed the mare to be exhibiting an abnormal upper respiratory noise. Refer full report.

Bayliss advised that the mare enjoyed a comfortable lead without being overly pressured throughout, however when asked to quicken from the 400m, it failed to respond to his riding and proved very disappointing. A post-race veterinary examination of the mare revealed no apparent abnormalities. Trainer R. Lipp advised that in light of today's performance, the mare will now be retired.

A post-race veterinary examination revealed no significant findings. Connections confirmed that the horse would be sent for a spell.

S. Comments:When questioned regarding the run, apprentice A. Thompson stated it was his instructions to race in a forward position, however, after working to a three wide position he elected to push forward approaching the 800m to the outside of the leader. As a result, he was then reluctant to overly restrain his mount as it had previously had a tendency to get its head up in track work when being restrained. He added that he would have preferred to have obtained a position on the rail or sitting off the header, however, he was unable to do so and the horse thereafter gave ground in the straight. Trainer

Cassidy explained that after being a little slow to begin he rode aggressively to cross the main body of the field and when he eventually raced outside the leader CEOL NA MARA the horse never travelled comfortably and when placed under pressure prior to the home turn failed to respond to his riding and weakened in the home straight. A post-race veterinary examination revealed no significant findings. Connections confirmed that the horse would be sent for a spell.

The horse subsequently under a veterinary examination and was cleared to take its place in the field. Tightened for room on jumping away and lost ground. Overraced approaching the 800m and was steadied from heels.
