S. Comments:When questioned, Rdr reported considered shifting to the inside approaching the 200m but was unsure if was clear to do so, so elected to come out, however; then was unable to find clear running and went to the end of the race without being tested. Rdr conceded after seeing the film of the race, should've continued to shift to the rail for clear running rather than coming to the outside.

Comments:When questioned about performance, Rdr stated from a wide barrier, rather than being trapped wide, elected to take up a position at the rear-said in hindsight mare is better suited racing closer to the speed. A post-race vet exam revealed no abs. Stable reported intention to send mare for a short freshen up and would benefit from a drop back in distance.
