S. Comments:Underwent a pre-race veterinary examination after becoming fractious when being reshod in the tie up stalls. The examination revealed no abnormalities. App O. Kendal reported approximately near the 300m her mount may have either resented the tongue control bit, or BIG ROCKET may have held its breathe for an extended period due the abnormal respiratory noise she heard BIG ROCKET display at that moment. Due to this noise, she allowed her mount to be eased down in the home straight shortly after. Trainer D. Whyte advised stewards that he would experiment with gear.

S. Comments:Raced wide in the early stages. Laid in when placed under pressure in the home straight. When questioned regarding the tactics adopted in today's event, Trainer B. Trimble advised stewards that it is always the stables intention to have DELIUS race in a forward position, however in its previous starts circumstances have not permitted DELIUS to race in this position. Apprentice N. Olzard confirmed that her instructions today were to be positive and race in the front half of the field. Trainer B. Trimble further stated that he will continue to race DELIUS in this pattern.
