S. Comments:Jockey L. Cassidy reported to stewards he was disappointed with the overall performance of his mount. He indicated it had been his intention to settle midfield if possible, however was obliged to settle further back. He indicated that rounding the home turn the horse had improved well into the event, however after being bumped by another runner passing the 400m, then failed to respond to his riding and, in his view, was disappointing in the run to the line.

She added that upon returning to the stable the filly has worked quite well in recent weeks, including performing well in two jump-outs at Toowoomba and were hopeful of a forward showing.

| S. Comments:Began awkwardly and lost some ground. Rider questioned re tactics - explained filly settled in a rearward position, which is consistent with normal racing pattern. After passing 500m when pace quickened filly was left flatfooted. In his opinion when pace quickened, racing between horses and not having a lot of room and today's track conditions may have contributed to the filly hitting a flat spot and being unable to quicken between the 500m and 300m but finished well over final 200m.
