S. Comments:When questioned regarding the gelding's performance, jockey B. Thompson stated that the step up in grade and the race pressure mid race when THE MOVE improved to his outside which may have had an effect on its finishing effort. OSAMU underwent a post race veterinary examination which revealed no significant abnormalities, however the gelding slipped over post race in the tie up stalls following the examination and pulled the left hind plate off, stepping on the toe clip, causing lameness. OSAMU was treated on course by the veterinary surgeon.
