When quest, Rdr explained asked to come out neutral on filly & settle behind speed, as at previous starts, had raced too keen early-said filly was fractious in gates, began awkwardly & settled at rear-said did not wish to apply too much pressure early, as concerned it may again over race-added mount inclined to lay out round h/turn, however, once balanced, finished off well. Notified ride early was of concern & would be expected in similar situations to apply more pressure in early & middle stages to ensure mounts placed in competitive position.

S. Comments:Raced wide early before restraining to find cover near the 1400m and then over raced for a short distance. Rdr reported from wide barrier, was beaten for speed early and rather than being caught wide, elected to restrain to obtain cover-added gelding was unsuited by the large weight impost on the heavy track.

When questioned re tactics adopted, in particular when a run presented between runners approaching the 150m & elected to shift to the outside of heels, Rdr reported instructions were, if possible, find clear running in the home straight, as mare appreciates racing room.
