Thr confirmed gelding a step up to a mile and added was pleased with its effort last start on 28-2-25, however; it was evident after obtaining a leading position, was unable to finish off the race & would be better suited to further distance. When quest re performance & riding of filly, Rdr stated instructed to take up a trailing position from wide alley as horse had raced well at its most recent start when ridden in this fashion-added surprised how well filly settled early & obliged to pressure mount from 750m to the 600m-further added in home straight mount was somewhat reluctant to quicken between runners when there was a shift from an inside runner-said indicated recommended to remove filly's earmuffs as felt filly would travel more strongly during event.
