S. Comments:Jockey J. Morris indicated that the horse weakened badly over the concluding stages and stated that the horse coughed post race. A post race veterinary examination failed to reveal any significant abnormalities. Trainer reported that in the days subsequent the horse was found to be suffering from a virus and in his opinion this would explain the performance. He indicated that he would report to stewards before sending the horse for a spell.

S. Comments:Tightened for room shortly after the start. Stewards questioned apprentice H. English in relation to the horse's performance. Apprentice English advised that after beginning reasonably, the horse failed to muster the necessary speed to obtain a forward position, which she attributed to the horse racing greenly. She added that whilst on face value the run may have appeared disappointing, she felt the horse's work over the concluding stages of the event would suggest it would be better suited in races over a further distance than tonight's event. Stewards noted the explanation.

S. Comments:Began awkwardly attempted to buck shortly after start. Rider questioned re performance - stated that despite attempting to buck in early stages filly travelled well during middle stages. Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

Harrison reported that after being slow to begin the horse was able to muster sufficient pace to take up a position just behind the lead and travelled keenly to the 800m, and despite weakening over the concluding stages was of the view that the horse would appreciate a step up in distance where it would be able to take up a forward position without being pressured in the early stages.

S. Comments:When asked to comment on the horse's performance, L. Rolls indicated that he anticipated being back in the field, however on a number of occasions in the middle stages when attempting to improve to the inside of another runner, the horse was reluctant to do so. He added that he was obliged to pressure the horse from the 600m and the horse was again reluctant to improve into a tight run in the home straight. He felt that a step up in distance to 1400m would allow the horse to travel comfortably in a more prominent position.

S. Comments:Questioned as to performance - rider stated after beginning slowly horse was then slow to muster speed despite his efforts. When asked to improve passing 600m horse responded only fairly and was disappointing in its overall performance. Noted he had ridden horse in work leading into today, on the basis of which both he and connections were hopeful of a better performance. Though horse may benefit from a gelding operation. Stable indicated would consider either addition of blinkers or gelding operation prior to next start.

Comments:Questioned re: leading - App stated not given specific instructions but to settle where comfortable. Sufficient speed early to settle midfield with cover but after began well rode forward and travelled comfortably in lead. Trainer confirmed instructions and expected to settle in similar position in second half of field. Trainer noted horse up in distance and had previously raced forward but had recently been tardy away. Can overrace when ridden forward after slow to begin hence instructions to settle where comfortable. Will instruct to ride forward if horse begins well in future | 54 Ms Bridget Grylls | (3) 57 R59 | \$15,000 \$8,200 \$3.80F In Running: /1/1 |

S. Comments:Slow to begin. Questioned re: overall performance - rider stated that despite his efforts the mare was unable to muster speed in the early and middle stages and as a result trailed the field. Mare began to improve in the race from a point leaving the 500m and in his opinion finished the race off well. Near 50m had to steady from the heels of LUCK AND FAME and shifted in and then went to the line without being tested. Of the opinion mare would appreciate step up in distance and may benefit from the removal of blinkers and addition of blinkers.

S. Comments:Steadied to avoid heels near the 800m. Momentarily steadied approaching the home turn. When questioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed. Vetted, no abnormalities.
