He said at the start it was reluctant to stretch out early and got further back than anticipated, and in the back straight began to travel strongly and overraced but then travelled nicely thereafter, and in the straight despite having an uninterrupted run, it only finished off fairly, adding he would recommend it be stepped up in distance.

S. Comments:When questioned regarding the apparent improved performance of the filly trainer Mr S. Phelps stated that the filly had shown limited ability in its first preparation and was subsequently spelled to give it the opportunity to mature. Mr Phelps added that whilst the mare had developed physically its work had been only average and he was not confident of its chances today. Mr Phelps added the fact the filly was able to lead the event, uncontested, against a poor quality field where to its benefit today.
