Fradd reported that the horse raced fresh today and overraced a touch in the early stages, and then failed to finish the race off. The stable representative for trainer Mr T. Gollan advised that the gelding would be better suited as it gets further into its preparation over distances further than todays event, and may appreciate a softer track and would improved with todays run. S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. Stewards noted the explanation.
