He indicated that he had been instructed to ride the horse in the second half of the field as the filly was having its first start over 1600m. He indicated that the horse began well and if not for the instructions he would have liked to position more forward, however he elected to take hold and settle at the tail of the field. He indicated that the horse finished the race off strongly. He further added that had he drawn an inside alley, the horse would have taken up a more forward position.

App. Guthmann-Chester stated that the mare commenced to hang out rounding the first turn near the 1500m and continued to do so for the remainder of the event. Trainer B Baldwin was advised that the mare must trial to the satisfaction of stewards prior to racing again. S. Comments:When questioned regarding the performance, Trainer G Stockdale expressed his view that at its first run for him some 5 months ago, the 1200m may have been a little bit too far for the gelding on that occasion. He also stated that the gelding is an excitable horse and has trialled and worked well prior to today's event which in his opinion was over a more suitable distance today and he expected the horse to perform competitively. Stewards noted his explanation.
