He said the gelding showed sufficient early speed, however ARGO'S REVENGE also improved to his inside, so he had to make more use of the gelding than he would have liked. He said at its previous start the horse was inclined to overrace and hang out and for this reason he was intent on pursuing the lead and getting the horse across to the rails. He added that the horse then travelled nicely in front and weakened over the concluding stages. He said he would have preferred not having to make as much use of the horse in the early stages.

S. Comments:When questioned as to the tactics adopted, Jockey A Allen stated that from the wide barrier he was obliged to pressure the gelding in the early stages to obtain a forward position. Once he obtained a position outside of SMASHED IT, Jockey Allen attempted to restrain the gelding at which point it continued to race strongly despite his efforts resulting in him having to obtain another hold on his reins leaving the 700m. Jockey Allen stated that his intention during the middle stages was to sit back off SMASHED IT, however, the gelding refused to settle. Stewards accepted the explanation.
