Trainer explained that when it arrived in Queensland and raced poorly at Doomben it was revealed mare was suffering from a virus and was found to have a high temperature. Added the mare then received veterinary treatment for that ailment however, he had failed to adhere to his obligations under AR140(c) and was found guilty of a charge under that Rule in that he had failed to report a condition which may have affected the mares performance at its last start. Mr Webb was fined \$500.
