S. Comments:When questioned regarding the horse's perceived form improvement, trainer R. Lipp stated that at its first run in Toowoomba the horse raced ungenerously and wanted to hang out throughout the event. He noted that the horse pulled up from that event with some mild soreness and the horse was sent for a spell. Mr Lipp added that SUPERSONIC BOOM had won two jump-outs at Toowoomba prior to today's event, and with the addition of blinkers today he expected a forward showing.

A post-race veterinary examination determined that the mare had dislodged its synthetic hoof filler which may have had a bearing on the performance. When questioned regarding horse's performance, particularly after passing the 600m, rider said in his opinion the horse did not quicken despite his urgings and this allowed other runners in the field to improve away from his mount. He added that whilst the horse made up ground, he did not feel that the horse had quickened as in his view the horse was passing other weakening runners. He said he recommended to connections that the horse be sent for a spell as he believed it had come to the end of its preparation. Tnr. said the horse would be spelled immediately. | | | |
