S. Comments:As the mare had not raced in over 12 months, it was examined by the veterinary surgeon and cleared to take its place in the field. Slow to begin. A post-race veterinary examination of the mare, which performed below market expectation, revealed that it was exhibiting a slow post-race recovery. Trainer B. Lockwood advised that as the mare had not had a start in over 400 days he was not overly disappointed in the performance, and said that the mare would benefit from this run. Stewards noted the explanation.
