S. Comments:Bumped at the start. Overraced in the early stages. Inclined to lay out rounding the home turn. Stewards questioned trainer B. Guy regarding the horse's improved performance. Mr Guy explained that the mare has raced well in the past racing over a similar distance to that of today's event or further. He added that at its most recent start over 1400m, although the mare ran 9th, it was only beaten 4.7 lengths and was hampered near the 200m and unable to secure clear running over the final stages and he was not disappointed with that performance. Stewards noted his explanation.

When asked to explain the horse's seemingly improved performance, trainer M. Nolan's stable representative, Ms J. Barsby, stated that the filly performed reasonably at its first start, however, due to immaturity was sent for a short let-up. She added that upon returning to the stable the filly has worked quite well in recent weeks, including performing well in two jump-outs at Toowoomba and were hopeful of a forward showing.

comment on the horse's performance, he indicated that after having to check from heels in the early stages of the race the horse travelled comfortably,

however had some difficulty securing clear running rounding the home turn, and then when afforded clear running in the early stages of the home straight

was obliged to steady when placed in restricted room. He added the colt would be suited to races over longer distances.

S. Comments:Raced keenly for a short distance near 1100m. Laid inwards over final 100m. Rider questioned re racing in a rearward position - stated originally his intention to race forward however, after jumping only fairly found himself racing three wide to the outside of FRESANOL. As such rather than be caught wide he obtained cover following FRESANOL, expecting that horse to maintain a forward position. Soon afterwards runners to the outside crossed FRESANOL which resulted in his mount racing further back than he would have liked.

S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.

S. Comments:Upon returning to scale Jockey M McGillivray reported that from the awkward barrier he was obliged to pressure the gelding in the early stages to obtain a position closer to the fence which resulted in him racing further forward than anticipated. As a consequence, the gelding then over-raced during the middle stages and when racing close to the heels of DENBERN passing the 600m, he was obliged to shift out to improve earlier than he otherwise would have liked.

S. Comments:Laid in rounding the home turn. Questioned re tactics - intention to lead outright, thought the other leader drawn inside may begin slowly and attempted to press forward early to attempt to obtain lead. Horse drawn inside was able to muster speed and maintain position to his inside so he continued to ride forward to obtain lead near 1000m. Had he realised other runner was going to continue to ride forward to maintain position to his inside he would have taken hold to sit off that runner instead of continuing to ride forward in early stages.
