S. Comments:Had to be restrained to avoid heels when the pace slackened near the 800m, and when restrained, shifted out to a three-wide position, and raced three wide without cover from that point onwards. Hung out under pressure in the home straight and when hanging out in the early part of the home straight rider L. Tilley was unable to ride with his normal vigour. Jockey Tilley indicated that the horse was somewhat field-shy and may benefit from having the blinkers removed. Trainer M. Kropp was advised that a warning would be placed on the gelding's racing manners.

S. Comments:After being caught wide in the early stages was allowed to stride forward to a position outside the leader near the 1100m. When asked to comment on the performance, A. Mallyon stated that the gelding raced in a forward position and when the field sprinted after passing the 600m failed to respond. He added that in his opinion the gelding will improve with the run and may appreciate races further than that of today's event as he believes the gelding is one-paced.

S. Comments:Slow to begin. Held up rounding the home turn and in the early part of the home straight had to alter course to the outside of SCOTTISH PRINCE in order to improve. When asked to explain the reason for his mount being further back in the field than anticipated, M. Cahill reported that he expected to be further forward in the field, but after being a little slow to begin the gelding was unable to muster the necessary speed and as a result settled at the rear of the field.
