Dunn stated it was the filly's first start for his stable and he had expected it would be very competitive.He advised he would add blinkers and remove the t/tie before stepping up in distance.Vet exam revealed a poor recovery rate.

S. Comments:Stewards questioned rider J. Byrne regarding the performance and his tactics. He stated that due to interference occurring forward of him near the 800m and because of the steady pace being set in the event, he shifted wider on the track rather than steady from heels. He added that he was wide as a result of this, however the horse travelled well into the home straight and was doing its best work over the concluding stages and he was pleased with the overall performance.

S. Comments:Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. She stated that it failed to travel in the middle stages and, whilst it did have some excuses, it sprinted only fairly. Ms Jamieson stated that her mount raced like a horse not interested in racing. When questioned, trainer Mr H. Norman stated the mare had worked well and he was very disappointed with its performance. Mr Norman added that the stable would assess the immediate racing future of the
