S. Comments:Rider questioned re tactics. Rider stated that it was not his intention to settle as far back, however after travelling a short distance he did not want to be committed to racing on the rail so he attempted to maintain a one off position, however other runners had improved around him he was forced to settle further back and on the rail. He added that we was unable to improve into the race as he would have liked as he was held up behind other runners under pressure. Trainer stated he was surprised to see it settle as far back, however agreed with riders comments.

Orman stated that his instructions were to be in a forward position, but after beginning awkwardly the runners to his outside had improved and crossed him and instead of improving forward and being caught wide, he elected to remain in a rearward position with cover. He added he was able to improve into the race from the 600m where the gelding finished the race off only fairly. He indicated that the gelding would be better suited to racing over distances further than that of today's event.
