S. Comments: Inquiry into tactics and riding - rider stated previous start horse over raced outside leader and weakened badly. Addition of earmuffs hoped horse would be settle with cover behind leader. Therefore took hold early to obtain cover behind STRUCTURAL DAMAGE however, MR HENNESSY then crossed that runner resulting in her settling towards rear of small field. Attempted to improve to outside of STRUCTURAL DAMAGE rounding home turn but was held up when it shifted after which the horse finished off well. Rider told she erred in taking hold too early & should have used more vigour rounding home turn.

S. Comments:T. Harrison explained that the mare had a nice run in a handy position on the rail, had travelled well to the turn and on straightening she was confident that the horse would finish its race off. She said when afforded clear running at the top of the straight and placed under pressure, the mare did not quicken and gave ground. She added that she was of the opinion that as the mare has only ever raced on firm tracks, it may not have handled today's soft track conditions.

Overraced when being restrained in the early stages to secure a position closer to the fence at the rear of the field and then had to be steadied near the 1200m.J. Oliver stated that the gelding's racing manners in the early stages had a detrimental effect on its overall performance. Trainer W. Hulbert stated that the gelding had come to the end of its current preparation and would now be sent for a spell. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:When questioned as to riding of the gelding, B Ainsworth stated that after beginning slowly she was concerned she would be caught wide so allowed the gelding to settle at the tail of the field with cover. App. Ainsworth added that passing the 500m she permitted the gelding to shift wider on the track as it had previously performed well when allowed to the outside of the field. App. Ainsworth conceded that she had erred in her decision to shift wider passing the 500m and should have endeavoured to save ground rounding the home turn by improving to the inside of BASIC STRATEGY.
