In Running: /4/4 S. Comments:Rider questioned re performance - stated intentions were to obtain lead if possible however, once runners to outside crossed him he was content to settle just off the speed behind the leaders. Added filly under pressure from 600m and then commenced to weaken upon entering home straight and for this reason he did not overly pressure his mount for the remainder. Further added in his opinion the filly was most disappointing. Vetted - no abnormalities.

S. Comments: Experienced a float breakdown en route to the course, examined by the veterinary surgeon on arrival at the track and passed fit to start. Shifted in abruptly at the start, dislodging its rider. Prior to being recaptured by the Clerk of the Course DATASTAR jumped the outside fence at the 1800m chute, left the racecourse precinct and galloped for a significant distance before being recaptured. A post-race veterinary examination revealed minor abrasions.

S. Comments:Began awkwardly. Shifted in and bumped another runner shortly after the start. When questioned regarding the performance, Apprentice Panya agreed that the gelding was disappointing and stated that, in her opinion, the horse races best when it is able to gain a more forward position than in today's event. Apprentice Panya also stated that the horse is better suited when racing over longer distances than today's event. Trainer P. Duff agreed with Apprentice Panya's comments. Stewards noted the explanations provided.

the use of her iron the gelding shifted in abruptly and she had to check the gelding away from heels and it then raced wide without cover for the remainder of the event. Laid in under pressure at the 300m despite the efforts of its rider.
