S. Comments:Fractious in the barriers, then began awkwardly, losing ground. A post-race veterinary examination revealed no significant findings. A. Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.

S. Comments:Near 600m steadied. Stewards questioned Jockey M McGuren re tactics adopted whereby the gelding settled further back in field today than anticipated. Jockey McGuren advised instructed to ride horse in a mid-field position if possible today and for that reason he did not overly bustle the horse early. He added that the gelding did not show the speed that he had anticipated in the early stages which he attributed to the gelding racing without the blinkers today and as a result settled further back in the field than he had anticipated. Stewards noted his explanation.
