Jockey Goltz went on to say that when able to get to the outside of runners in the home straight, the gelding ran on well over the concluding stages. Stewards noted the explanation.

S. Comments:The near side winker became detached passing the 700m. Rider asked to comment re tactics - explained instructions were from wide barrier to be neutral and ride in a rearward position to give it a chance to finish race off. Stated even though it was a small field he was of the opinion gelding was unable to make up the amount of ground over final stages due to today's track conditions. Trainer confirmed instructions given as the gelding had previously failed to finish off its races when ridden in a forward position.

S. Comments:Very difficult to settle early stages. Raced wide from 600m until rounding the turn in home straight. Rider re performance - originally intention to get cover however when no pace in early stages proved very difficult to settle and got its head up on a number of occasions. Then elected to go forward to the lead however continued to race keenly. Added when placed under pressure was disappointing and failed to respond in the straight. Trainer advised intention to spell colt and limit starts over shorter distances.Vetted - cut to off side cheek and lame in near fore leg.

He added that, in his opinion, the gelding may require a spell. Trainer Mr D. Duryea advised that it is her intention for the horse to be sent for an immediate spell. Stewards noted the explanations. A post-race veterinary examination revealed no significant findings.
