Oliver in relation to his riding and the tactics adopted on the filly, and in particular his decision to circle the field after beginning slowly to obtain a leading position near the 1000m when there appeared to be an opportunity to obtain a trailing position in the race. Rider comment re performance - stated from wide barrier caught three wide without cover and being the mare's first run back from a spell it weakened slightly over concluding stages and in his opinion would benefit from today's run.
