S. Comments:After passing 200m improved onto heels, steadied and alter course to the outside to obtain clear running. Rider re tactics - explained after beginning fairly from wide barrier and then laying in shortly after start and bumping heavily with DARK ARCHER then allowed to balance up and elected to restrain to rear to find a position closer to the rail as he was of the opinion if he had pressed forward may have been caught wide. Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.

S. Comments: When guestioned by Stewards in relation to the seemingly improved performance, trainer K. Baumann advised that, at its most recent start at Warwick, the gelding had been forced wide and had difficulty securing clear running in the home straight. He added that prior to this, the gelding was not suited by racing on the tight turning track at Gatton. He went on to say that as the gelding was stepping up in distance in this event, he had expected an improved performance, however he was somewhat surprised that it was able to be successful today.
