Sitek explained that the gelding has been racing over shorter distances from wide barriers and as a result has raced wide, which he felt reflected its performances. He added that today the gelding was able to settle in a good position close to the rail and the step up in distance also had an effect on its performance. Stewards noted his explanation.

S. Comments:Prior to the event, connections advised Stewards that it was the intention for the horse to be ridden in a forward position today if circumstances permit. After being slow into stride, the horse settled at the rear of the field. Apprentice M. Schrapel allowed his mount to stride forward to take up a more forward position when racing keenly near the 1200m, and as a result was forced to race 3 wide for the remainder of the event.
