S. Comments:When questioned regarding the gelding leading today, Jockey said that the gelding was stepping up in distance and he was instructed to take up a forward position if circumstance allowed, as the gelding has a tendency to miss the kick. He stated that after beginning particularly well and when there was no speed in the early stages, he allowed his mount to stride forward, where it assumed the lead comfortably. Trainer confirmed the instructions issued, however was reminded of his obligation to inform stewards of any change in tactics.
