Lloyd reported that the horse did not travel comfortably and when asked for an effort shortened stride. Due to his concerns with the horse's action he did not pressure the mare over the final 500m and as a result it finished a distant last. A post race veterinary examination failed to reveal any significant abnormalities. Stewards advised connections that the horse would be required to trial satisfactorily prior to racing again. Rider stated leaving 500m was concerned ONE GREY, which was racing forward of him, was going to be taken wider by CANTBUYBETTER and was reluctant to improve to outside of that runner. Rider added approaching 400m he was aware ROYAL OCCASION had improved to his outside and was therefore unable to shift wider without causing interference to that runner. S. Comments:Raced wide throughout. When questioned regarding its performance, the rider stated that gelding was disappointing. He was mindful that it usually showed pace, however as this was the first time with blinkers, it had failed to race well and suggested to remove the blinkers and step up in distance. Trainer J. McConachy confirmed that the blinkers will be removed for its next race start. A post-race veterinary examination revealed that gelding was displaying a slightly slower recovery rate. A small amount of blood was observed in the back of the horse's throat.

S. Comments:blundered on jumping and lost ground. Raced wide in early and middle stages of the event. Finished distant and when asked to comment on performance rider J Missen stated the mare was second up today after a long break, and after being forced to work in the early and middle stages tired over the final 400metres. He added in his opinion DOUBLE DRAMA would derive significant benefit from today's run. A post-race Vet examination revealed superficial cuts to off fore-leg.

S. Comments:Began awkwardly. When questioned regarding the seemingly improved performance, trainer C. Thompson explained that following its run on 20th September he had a blood analysis carried out, which revealed that the mare was recovering from a virus and had been treated. At the mare's subsequent start, at Rockhampton on 26th October, the mare finished the race off well. Mr Thompson was of the opinion that the step up in distance contributed to the improved performance today. Mr Thompson was reprimanded under AR. 140B for failing to report a condition that may have affected the horse's performance.

When questioned regarding the performance, the rider stated that he had raced well throughout the event, however was under pressure leaving the 500 metres. He added that, taking into account the three weeks break between runs and the step up in distance for its next start, he was not completely disappointed with the performance.
