| S. Comments:Stewards questioned apprentice J. Orman regarding his riding in the early stages of the straight where it appeared he had clear running yet shifted out to the outside of URBAN SPACEMAN. J.Orman explained that he elected to shift out to the outside of URBAN SPEACEMAN as that horse had been weakening and he was of the opinion that the horse is better ridden to the outside of other runners. |                  |                   |                                 |

When questioned regarding the horse's disappointing performance, rider stated that in her opinion the weight of 59kg in tonight's event was detrimental to the gelding's performance and in addition she also felt the horse did not handle tonight's soft track. | S. Comments:Bounded in the air on jumping and lost ground. When questioned regarding his riding rounding the home turn and in the early part of the home straight, and as to whether there was an opportunity to improve to the inside of the eventual winner, Jockey explained that after being held up rounding the home turn he rode his mount along and shifted wider in an attempt to obtain clear running. Jockey said that had the eventual winner not rolled out, he would have been held up for clear running even further. |                 |           |     |                               |

S. Comments:When questioned regarding below market performance App H Phillips stated the gelding travelled well to the 600 metres but when placed under pressure did not respond to her riding from that point. Trainer M Reardon also expressed his disappointment and was of the opinion COVERT CHAMOUR did not appreciate the sand conditions and added it was his intention to continue with the geldings preparation. A post race vet examination failed to reveal any abnormality.
