S. Comments:When questioned regarding the horse's performance, jockey stated that his mount had begun well, however was not able to take up a forward position and given the horse was back in distance, he was of the opinion that it failed to travel well throughout, however from the 500m was able to make up ground. Trainer advised that he was satisfied with the performance, given the drop back in distance to the 1050m today and the outside barrier. A post-race veterinary examination revealed no abnormalities.		<b>In Running: /10/11</b> <b>In Running: /8/9</b>
