She added she would monitor the geldings progress and advise stewards if anything should come to her attention that may have affected the horse's performance. S. Comments:When questioned regarding the gelding leading today, trainer R. Vale stated that the horse's usual racing pattern was to be handy and given the distance and the wide barrier draw the horse was able to take up a leading position. In relation to its performance, he added that THAT'S WOODY was not suited by the tight track at its previous start and also appreciated the step up in distance.
