S. Comments:Jockey T. Chambers stated that she was under no instructions today, but after jumping well was able to take up a more forward position and in her opinion the horse was better suited than racing further back in the field as it has in its previous starts. Trainer Mr J. Lewis confirmed that even though he offered no instructions, he was surprised to see the gelding race in a forward position, but given the results, would look to having the horse race in a similar pattern for the remainder of its preparation.

S. Comments:On return to scale, Apprentice A. Thompson reported that from the wide barrier he was forced to work early to obtain a forward position and, as a result, the mare commenced to overrace in the early stages. He added that, from this point, his mount travelled comfortably throughout however when placed under pressure, the mare failed to run on as he had expected and proved disappointing. Refer full report for comments from trainer L. Hatch.
