When asked to comment on the performance, jockey Geran indicated that the horse was unable to muster any early speed and then raced greenly and was obliged to steady from heels during the middle stages, and was then doing its best work over the concluding stages after obtaining clear running. Jockey G. Geran was reprimanded for using his whip more than 5 times prior to the 100m.

He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.

S. Comments: Stewards questioned rider regarding tactics. He indicated he had been given no specific instructions, however rode vigorously out of the barriers in order to cross OUR ROCKY. He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily. He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat.

S. Comments:Began very awkwardly and lost ground. When asked to comment on the performance, K. Wharton stated that the horse jumped away awkwardly and was positioned at the tail of the field, and whilst he had not been issued instructions, he had anticipated settling more forward. He added that when placed under pressure the horse carried its head very high and raced greenly and shifted both in and out. He added that, in his view, the horse would benefit from the step up in distance and had recommended to connections to experiment with the addition of either blinkers or winkers.

App. Denby said she had specific instructions to improve to the inside of other runners and to keep the horse balanced around the tight track before pressuring it soon after straightening, which she did. Stewards advised apprentice Denby, bearing in mind the short straight at Kilcoy, that it would have been a better option to put her mount into the race earlier than she did on this occasion.

S. Comments: B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments:Commenced to pull hard after leaving the 800m. Apprentice S. Eilbeck was questioned regarding the tactics she adopted after leaving the 600m. She stated that at that stage of the race the mare was travelling well and she elected to ease out to be ready to place pressure on the leaders on straightening, however her mount was then forced to race four wide. Apprentice Eilbeck agreed that she had erred by shifting out at a critical stage of the race near the 500m rather than staying in with cover.
