Rider stated that she was instructed to position horse at rear of field and added that due to fast tempo in early stages she settled 2 lengths of the second last horse. However, when asked to improve passing the 600m the horse travelled strongly and finished off the race well. Stewards advised App that she should have made greater use of the horse in the early stages to maintain a position inside of IT'S ON THE POCKET in the early stages.

gelding vigorously in the early stages as it had shown a tendency to overrace. For this reason he was unable to maintian a trailling position behind BELEGIC and as a result near the 900m had to be steadied form the heels of HYDRAZIN. Trainer confirmed instructions and express dissapointment in overall performance. Vetted - sustained a laceration to the off hind coronet. A swab sample was taken.

He added that he would give consideration to sending the horse for a spell. A post-race veterinary examination revealed no significant findings.
