S. Comments:Slow into stride. When questioned regarding the horse's performance, apprentice J. Guthmann-Chester stated after receiving instructions he expected the gelding to show early speed, however after beginning well the gelding was unable to muster early speed, but once placed under pressure leaving the 600m, commenced to find the line well and in his opinion will be much better suited over a longer distance than that of today's event. Stewards noted the explanation.

S. Comments:Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.
