S. Comments:Change of tactics. Connections advised they were not happy with the gelding's finishing efforts and therefore the horse would be ridden in the second half of the field if circumstances permit in order to have it settle. The horse was ridden accordingly. Stood flatfooted as the start was effected and lost significant ground. Connections were advised that a warning would be placed on the horse.

S. Comments:Raced wide without cover. Jockey J. Lloyd reported to stewards that his mount became awkward in its action from the 600m and as a result did not pressure his mount over the final 300m. A post race veterinary examination failed to reveal any significant abnormalities. Connections were advised that the horse must trial satisfactorily prior to its next race start.

S. Comments:Stewards questioned J. Guthman-Chester regarding the tactics adopted in the early stages when he restrained to allow ASALWAS to shift

across his line at a point near the 1400m, which resulted in his mount losing ground when the pace of the race being set in the early stages was quite slow. Apprentice Guthman-Chester after hearing the stewards concerns and viewing the patrol footage agreed that this had been a poor decision on his part given the slow tempo that was being set, and agreed he had made an error or judgement at this point of the race, particularly given that his horse is one-paced

S. Comments:Raced wide without cover. Jockey J. Lloyd was questioned regarding the tactics adopted on his mount. He indicated that despite drawing a wide alley he had been instructed to attempt to obtain a position one off the fence just behind the lead. In attempting to comply with those instructions he rode without committing to a forward or rearward position, and when in a 5-wide position passing the 1200m, pushed forward and raced 3 wide without cover. He advised stewards he had considered restraining to obtain cover at the rear of the field, however was of the view that given the pattern of racing
