Approaching the 200m had difficulty improving to the outside of SET WAIT as a result of CAPITAL CITY racing directly to its outside and was then disappointed for a run to the inside of DRAGON STREET before shifting out and again being disappointed for a run between DRAGON STREET and CLINT. Near the 100m REGNANT was unable to improve to the outside of CLINT in order to avoid causing interference to CAPITAL CITY.

S. Comments:Stewards asked trainer T. Miller to comment on the horse's seemingly improved performance. He indicated that he has been quite pleased with the horse's performance since returning from a significant spell. He added that in his opinion the horse had been working well and it has been the intention to allow the horse to lead in its races and he believes that the horse races best when able to lead without being challenged as in today's event. He further added that today's soft track and the step up to a mile were also factors which may have contributed to today's performance.
