Mr Gordon explained that the horse was second up today and at its previous start it was obliged to race wide and hung out in the home straight, which placed its rider at a disadvantage. He added that the filly had blinkers, a lugging bit and bubble cheeker on the nearside today, which in his view was advantageous to its performance. S. Comments:Raced wide without cover. Jockey J. Lloyd was questioned regarding the tactics adopted on his mount. He indicated that despite drawing a wide alley he had been instructed to attempt to obtain a position one off the fence just behind the lead. In attempting to comply with those instructions he rode without committing to a forward or rearward position, and when in a 5-wide position passing the 1200m, pushed forward and raced 3 wide without cover. He advised stewards he had considered restraining to obtain cover at the rear of the field, however was of the view that given the pattern of racing

Guthman-Chester regarding the tactics adopted in the early stages when he restrained to allow ASALWAS to shift across his line at a point near the 1400m, which resulted in his mount losing ground when the pace of the race being set in the early stages was quite slow.

Apprentice Guthman-Chester after hearing the stewards concerns and viewing the patrol footage agreed that this had been a poor decision on his part given the slow tempo that was being set, and agreed he had made an error or judgement at this point of the race, particularly given that his horse is one-paced

S. Comments:Stewards asked trainer T. Miller to comment on the horse's seemingly improved performance. He indicated that he has been quite pleased with the horse's performance since returning from a significant spell. He added that in his opinion the horse had been working well and it has been the intention to allow the horse to lead in its races and he believes that the horse races best when able to lead without being challenged as in today's event. He further added that today's soft track and the step up to a mile were also factors which may have contributed to today's performance.
