Stewards raised concerns that when the pace in the early stages of the race was only steady, whether there had been opportunity for her to allow the mare to stride forward in an attempt to obtain the lead rather than have the horse overrace whilst in a three wide position. S. Comments:When questioned regarding the horse's improved performance, trainer S. Kendrick stated that the gelding was hampered on jumping at its first start and unable to muster speed over the 900m which he believed was too short for the gelding. He added that since then the horse has trialled and worked well leading up to today's event and as such he stepped the gelding up to a more suitable journey of 1200m. He said he expected a more forward showing today over the further distance and with the wet track, noting that the gelding is bred to handle the wet, and he was not overly surprised by the win.

McGillivray was questioned regarding why he did not take a run between TIYATROLANI and LIPSYNC after leaving the 300m. He stated that whilst the run opened for him momentarily, his mount was laying in and not in a position to capitalise on the run before it closed. The explanation was noted.
