The veterinary surgeon provided further evidence which supported the evidence of trainer Mark Webb and no further action was taken.

Added held up approaching and passing 200m and when able to get clear mount worked home strongly. Further added had he gone wider rounding home turn would have covered significant extra ground which would have been detrimental to his mount's chances.

On jumping away was restrained heavily and ridden at the tail of the field. Commenced to overrace when the pace slackened approaching the 1200m and as a result shifted out near the 1200m to avoid heels and remained overracing until approaching the 600m. | | | |

S. Comments:Chance of tactics. Connections advised the horse would be ridden quietly from the wide barrier. After beginning well, jockey L. Tarrant reported that he elected shortly after the start to ride forward and assume the lead as he felt he would have more opportunity to secure a position closer to the fence than if he restrained.
