Williams regarding her riding of the mare. Of particular concern was the fact that she led when the horse's racing pattern has been to settle in the second half of the field, and as to why she led after having begun very awkwardly. Miss Williams stated she had been instructed to attempt to settle midfield and rode aggressively out of the barriers after being slow to begin in an attempt to secure that position. Howe

S. Comments:Shifted in shortly after start making contact with GOLDEN ESPRIT. Approaching 600m steadied when racing in restricted room between runners.

Rider questioned re disappointing performance - stated filly raced very greenly throughout and also resented racing tightly between runners near 600m and was obliged to restrain after which the filly never travelled comfortably. He noted filly had trialed impressively when leading and could only use the excuse it was not suited when unable to lead and when racing tightly between runners. Vetted - no abnormalities.
