S. Comments: Slow to begin before mustering speed under hard riding to occupy a forward position. When questioned regarding the seemingly disappointing performance of the horse, which started a short-priced favourite, rider J. Lloyd explained that his instructions were to make use of the favourable barrier and after beginning slowly he then elected to push forward on the colt as it had led in its most recent trial. He also noted that the horse made some abnormal respiratory noises in running and had to work hard to hold a position. He also noted that the horse may have choked down and was disappointing.

S. Comments: When questioned regarding the horse's improved performance, trainer G. Heinrich explained that the horse was slow to begin at its first start and then had a torrid run and failed to finish the race off and was subsequently sent for a spell and was gelded. She added that in the lead up to today's event the gelding had worked well and had won a recent barrier trial at Beaudesert and she expected a forward showing today.
